

Transit Economic Impact Tool

18.05.2024 Page 1

	Project Country	United States
American Public Transportation Association	Period	2017
Client	Facts	

EDR Group (now EBP) developed this web-based calculator tool to show the economic impact of local transit spending. It is designed around a simple data entry of transit agency annual budget information that is compatible with what agencies provide to the National Transit Database (NTD) for annual reporting summaries. This tool is a cloud-based system utilizing a vast database of economic data.
